TECHNICAL-SKILLS

- Web Development
- Programming
- AI/ML
- Error Solving
- LeTeX(document design)
- Additional Skills

SOFT-SKILLS

- Leadership
- Public Relations
- Teamwork
- Time Management
- Adaptability
- Effective Communication
- Critical Thinking

LANGUAGES

- Gujarati
- Hindi
- English

EDUCATION

- **Higher Secondary (Science Stream, GSEB)**
  Shrimati S.R.Parikh,Godhra
  Year of Completion: 2022

- **B.Tech Computer Engineering (AI)**
  UVPCE,Ganpat University,Mehsana
  Expected Graduation: 2026

PROFILE

Computer Engineering student with a strong basics in web development and programming. Skilled in HTML, CSS, JavaScript, and currently learning React.js to build dynamic and user-friendly web applications. Proficient in Java, Python, XML and C with basic knowledge of AI/ML concepts. Experienced in error-solving with practical exposure. Passionate about continuous learning, problem-solving, and creating effective digital solutions. Currently working on Odoo workflows (BCPZ) and developing an Inward Document Management System in Odoo.

PROJECTS

Reduction of Private Information using NLP

- **Description:** Built an AI system to automatically identify and reduce sensitive/private information in text documents using Natural Language Processing. The system ensures data privacy while preserving the meaning of the content.
- **Key Skills:** Python, NLP, Machine Learning, Text Processing.
- **Impact:** Improves data security and prevents accidental leakage of private information in digital communication.

Intelligent Waste Segregation using CNN (Ongoing Project)

- **Description:** Developing an AI-powered model that uses Convolutional Neural Networks (CNNs) to classify waste into categories such as biodegradable, recyclable, and hazardous. The model processes waste images and segregates them automatically.
- **Key Skills:** Python, CNN, Deep Learning, Computer Vision.
- **Impact:** Enables smart and automated waste management, reducing manual effort and supporting sustainability initiatives.

ACHIEVEMENTS

Technical

- internship at Set2Score, designing GATE & CAT exam papers using LaTeX and HTML.
- Participated in Robo Footer and Robo Kendo competitions at the Annual Tech Festival, February 2023.
- Currently working at Ganpat University as an Odoo Developer, involved in Odoo workflows and ERP-based system development.

Non-Technical

- Performed Mime at DRDO, Delhi .
- Secured 1st position in Mime at the 38th Inter-University Westzone Youth Festival.
- Secured 1st position in Mime at the 38th Inter-University National Youth Festival.
- Core member of GUNI Cultural Club.
- Served as NSS Volunteer for 1 year, contributing to community service.
- Passionate about performing arts, creativity, and chess.
